

ID: Unique identifier that WAMPO assigns to track the project through the MTP process

Lead Agency: The sponsoring organization or government entity. The lead agency is often the owner/operator of the project/facility.

Title: Unique name given to describe the project. If it is a capital construction project, it usually includes the project location.

Project Type:

- Bridge – Highway
- Bridge – Other road
- Interchange
- Intersection
- Ped/Bike
- Planning and Outreach
- Road – Highway
- Road – Other Road
- Safety
- Technology
- Transit

Estimated Cost : Planning level cost estimate shown in “year of expenditure” dollars, meaning today’s cost plus inflation. It represents the total cost to build the project, including pre-construction activities.
